Every Six Months, the Case Manager will need to take a copy of the Care Checklist to the home to review with the foster parents and foster child. If no more than a few questions have changed, this page is signed and placed in the file with a copy of the previous Care Update.

Name of the child: _____

1. What is the child's current level of care? _____

2. Changes to Safety Plan Yes No
If so, attach a copy.

3. Have medications changed? Yes No
If so, complete medication section of checklist

4. Any other information that you would like to share to help the foster parents while caring for and working with him/her on respite?

Together the Case Manager and Foster Parent have reviewed the previous *Care Checklist* and the *Care Checklist* has up-to-date information and does not need to be updated.
